PROGRAM OVERVIEW

Master of China Studies Program (MCS)

The Master of China Studies (MCS) is the first “China Studies” program in China, designed as an applied professional degree focusing on cross-culture, business, and digital culture. Delivered entirely in English, with Chinese language courses available, the program aims to foster intercultural competence and prepare students to excel in an increasingly globalized world. The program focuses on equipping students with practical skills and the ability to solve real-world problems, with a strong emphasis on career readiness. Students will gain in-depth knowledge of China, grasp a language skill, and strong cross-cultural communication abilities, meeting the demands of governments, organizations, and businesses for high-quality global talent in an increasingly internationalized work environment.
